

In B.C., workers
have

3 BASIC RIGHTS

1

Workers have the **RIGHT TO KNOW** what hazards are present in the workplace, and what has been done to reduce the risk.

2

Workers have the **RIGHT TO PARTICIPATE** in health & safety activities in the workplace.

3

Workers have the **RIGHT TO REFUSE UNSAFE WORK** if there is reasonable cause to believe that performing a work process or using a tool or machine puts them or someone else at risk.
